State University of Telecommunications
Applied Programming Department

STUDENT CONFERENCE

"Programming in IT"

April 21, 2016
The time and place of the conference:
13.30, r.326

Conference topics:

• theoretical and methodological foundations of programming;
• Features programming languages;
• cloud computing;
• tools and technologies of parallel programming and Grid-computing;
• software for computer networks and Internet;
• tools and programming environments;
• methods and means of reuse and reengineering in programming;
• requirements analysis and specification of software;
• models and processes of software life cycle;
• formal methods for software development;
• standardization and certification of software;
• Testing, reliability and quality of programs;
• models and means of databases and knowledge;
• expert and intelligent information systems;
• Software systems of information protection;
• software applications of computer systems;
• Problems of effective interaction between man and computer;
• Information systems, databases and artificial intelligence;
• programming techniques (application and system programming);
• Multimedia systems, educational and game programs;
• Internet technologies and WEB-design;
• legal, educational and social aspects of programming;

Organizers:
1. The State University of Telecommunications;

2. Applied Programming Department

Address of the Organizing Committee
Ukraine, 03110, Kyiv, Solomenskaya st. 7, Applied Programming Department r.326, tel. (044)-249-25-96; e-mail: devconf2016@dut-office365.info

<div align="center">

Important dates:
</div>

• The deadline for submission of abstracts - 11.04.2016r.

<div align="center">

Conference languages:
</div>

Ukrainian; Russian, English.

Requirements for abstracts:
Abstracts submitted in text editor Microsoft Word, the volume of 1 to 3 full pages. The electronic version of abstracts should be sent in RTF (* .rtf) format. Page format - A4 (210x297 mm). Margins: top, bottom, right, left - 25 mm.

The text of the report should be typed in bold Times New Roman. Title - centered bold size 16 pt, and below the name authors - italic, bold 14 pt, faculty group; Surname below supervisor, degree, rank the main text - 14 pt aligned the text to the page paragraph - 1.0 cm, single interval.

Formulas should be typed in Microsoft Equation editor size 14 pt with numbering and reference to this number in the text of the report.

At the end of the report may be the main sources of literature, up to 4 sources.

Abstracts and completed registration form to be e-mailed in RAR or ZIP format to the Organizing Committee e-mail address: devconf2016@dut-office365.info

With all questions please contact the chair of emergency, aud.326 to Gładyszów Oleg Bogdanovich

Each report can be extended computer display software.

Registration form:
